

United States Marine Corps

Letter of Appreciation

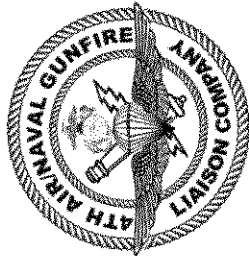

The Inspector – Instructor
4TH Air Naval Gunfire Liaison Company
4th ANGLICO

Takes pleasure in commending

Mr. Ray Cralle
for

Superior service while providing combat veterans and military family members with innovative hyperbaric oxygen therapy. Your unique therapeutic rehabilitative regimen has benefited many members of the local veteran and civilian communities. The commitment & personal interest you display in your patients has significantly contributed to their recovery efforts. Your devotion to local veterans has garnered well deserved National and local recognition. Your continued dedication is an extension of your previous service as a United States Marine. You have gone well “above & beyond” in your care for family of one of our Marines. For your steadfast service to the Nation, and personal commitment to local veterans, the Marines of 4th ANGLICO extend a hearty “OOH-RAH!” Thank you for your service. Semper Fidelis.
